

## Powerteacher - Changing your password

1. Login to Powerschool by visiting <http://powerschool.args.us/teachers/> or using the link on the ARGS website.
2. Click on 
3. Click on 
4. Type in the password you used to get into Powerschool in the "Old Password" box
5. Type in your new password in the 2 additional boxes provided.

A screenshot of the "Change Password" form in Powerschool. The form has a light blue header with the text "Change Password". Below the header, there are three input fields: "Old Password", "New Password", and "Verify New Password". Each field is a simple rectangular box with a thin border. Below the input fields, there is a blue "Submit" button with white text.

6. Click Submit

Note: It is highly recommended you change your password every 2-3 months.
